- ⦿ The ability to remain outside the UAE for more than the standard six months without affecting visa validity.
- ⦿ The option to sponsor family members, including spouses and children of any age.
- ⦿ The ability to sponsor an unlimited number of domestic helpers.
- ⦿ Continued residency rights for family members until the end of their permit duration in the event of the primary holder's passing.

10 YEARS GOLDEN VISA IN UAE

(Managerial, Directors and Executive Positions)

Requirements

To qualify for the 10-year UAE Golden Visa in 2024, professionals must meet a minimum monthly basic salary of AED 30,000 (approximately USD 8,200). This amount does not include any additional allowances, such as housing, transportation, or other benefits. Therefore, even if the total compensation package exceeds AED 30,000, applicants may still be ineligible if their basic salary falls below the threshold.

This revised requirement is part of the UAE's strategy to attract highly skilled professionals who meet the specified income criteria for long-term residency.

For professionals seeking the UAE Golden Visa, the following documents are required for the application:

- **Attested Degree Certificate:** A copy of the applicant's Bachelor's degree or higher, along with the university degree equivalency, attested by both the UAE Embassy in the home country and the Ministry of Foreign Affairs in Dubai.
- **Salary Certificate:** A certificate from the employer confirming that the applicant earns a minimum of AED 30,000 per month as basic salary. This certificate must be issued by Freezone Authority.
- **Labour Contract:** The labour contract must align with the salary and profession listed in the salary certificate. This is for Private Sector Companies.
- **Bank Statements:** Bank statements for the past 6 months showing the applicant's monthly salary deposits. The salary must be clearly visible in the statements and should not be withdrawn immediately after being deposited. If the salary is transferred to a different account, a second bank statement showing the same salary deposit must also be provided.
- **Company NOC Letter** Profession should be the same on Residence Visa and Labor Contract or Salary Certificate.
- **Passport and Visa Copy:** A copy of the applicant's valid passport and visa.
- **Dubai Visa:** A valid Dubai visa is required for the application process.
- **Studio Photograph:** A recent studio photograph of the applicant.
